Good morning sir,

First of all I would like to thank you for giving me the opportunity to introduce myself.

My name is Sanket Rameshwar Deshmukh. I belong from mangoon.

Currently, I am pursuing my (btech) degree in field of Electronics and telecommunication Engineering from Dr. Babasaheb Ambedkar Technological University.

I have done my 12th and 10th from mangoon Junior college and Ashok Dada Sable Vidyalaya respectively.

I have keen interest in python and have done projects on it as well.

My strengths - I strongly believe that I am good leader and I felt that because I lead my cricket team and won matches under my captaincy.

My another strength is which, I believe in my dedication to work and I am self-motivated and self-confidence.

9 - And my weakness is I am over thinking
before doing any work / task because I want to
10 do everything perfectly.

11 Now talking about my hobbies, I like to
play cricket because it makes me mentally and
12 physically fit. I love this game and it makes
me happy.

1 And also I like to watch movies that are based
2 on true incident / story also I like to watch
fantasy and scitfiction movies.

3
4 This is about myself, Thankyou.

Short term goal:-

10 My short term goal is to get placed in a
reputed company like ----

12 long term goal:-

1 My long term goal is to become more
responsible and knowledgeable personality. I want
2 to see myself to be on the respectable
position on my company and society.

④ Why should we hire you?

5 As a fresher, I think I am very flexible and
6 adaptive to learning new things & I am
sure I will be able to contribute something
7 capable for the growth of the company.
